## 30 Mile Ride Route

## The Moxie Rally Mission

Our Moxie Bike Rally was created as an event with the sole purpose of promoting healthy lifestyles for the people of the greater Lisbon area. In doing so, we plan to raise funds each year for a different specific event or community cause. Historically, Moxie has claimed to be a special “elixir” and “nerve food”, but to us it represents a spirit of enthusiasm, of positive thinking, stamina, vigor and just plain “guts”. We do this event because “We’ve got Moxie!” and we hope that you will catch the spirit as well!

This year’s goal is to build a new “creative playground” at the Marion T Morse (MTM) Center on School Street.
